

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

This file contains a matrix of the proposed high-level strategies and action items that support these strategies as well as current and potential partners. Some of these action items are currently underway, and some of these action steps are proposed for the future. As we tackle needs in Windsor, it is expected that our action steps will become more detailed and collaborative. Call Jan, the coordinator, if you have questions: 683-8677

Items in blue are proposed action steps for the future. They are not currently occurring in town to the best of our knowledge

A yellow star identifies a high-level strategy that the project team recommends the community begin with first. It looks like this:

Green text marks action items that also pertain to another strategy elsewhere in the matrix

Strategic Area 1: School Readiness (SR)

SR 1. Increase access to *affordable* early childhood experiences (ages 0-5)

SR 1a: Provide preschool scholarships that are funded by the community

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

SR 1b: Increase awareness about available preschool spaces

Action / Activity	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Partner to host Early Childhood Services Expo (a free event for parents to meet with representatives from local preschools and other related providers). Update event to attract more families.	Windsor's Early Childhood Council	volunteer time to plan and carry out the event.	ask Betsey or carolyn ... and Laurel for \$\$			
	WPS Family Resource Centers	volunteer time to plan and carry out the event.	\$1,500 (staff time for planning)			
Announcement through local newspapers		staff time to create and publish announcement on ongoing basis				

SR 2. Enhance *quality* of early childhood experiences (ages 0-5)

SR 2a: Ensure that b-5 providers are familiar with the components of the CT Preschool Framework and expectations for Kindergarten entrance. (includes preschools, daycare centers, home daycares, kith & kin)

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Create a formal for a round-table discussion between pre-schools and Kindergarten staff	WPS FRC staff (Ann)	staff time to coordinate				
	Pre-school directors (Ellen and Filomena)	volunteer time to participate				
	Kindergarten teacher (Laura Rumrill)	volunteer time to participate				
Provide mini-work shops for pre-schools to include additional providers (home and center based PK and daycares). Topic area on CT Preschool Framework	Kindergarten Principal and staff	- collaborate with ECC to reach more providers - share space - use topic of CT Preschool Framework	??			
	Windsor Early Childhood Council	- collaborate with K in marketing and preparation - support in adding sessions	what would it cost?			
Develop targetted approach for kith & kin						
Develop targetted approach for home daycare centers						

SR 2b: Provide professional development for caregivers of infants and toddlers						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Parenting education classes While we typically think of PD applying only to caregivers in childcare centers outside the home, parents are the primary caregiver for infants and toddlers. Parent edcation classes are included under this strategy because the content of this training would be the same as 'professional development' that we typically think of offered for maintenance of licensing. In fact this training could be offered jointly to parents and providers at the same time and often is.	WPS - FRC's		staff to organize and market for positive parenting classes (Kimberly?)	CAEYC classes		
	Poquonock & OE FRC		staff time to organize and market for autism support group			

SR 3. Expand Kindergarten transition processes						
SR 3a: Establish ongoing process for communication and sharing between preschool staff and kindergarten staff.						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Host an information session for parents in pre-school who would be attending Kindergarten in the fall	First Church Early Learning Center Kindergarten Principal	Share Space for the event Internal marketing of the event				
Expand to additional preschools	Kindergarten Staff					
Create process for pre-school records of children in School Readiness to be passed to Kindergarten teachers						
"On Your Mark"	PLTI student as part of personal project	pilot a Kindergarten transition program called "On Your Mark"				
Preparing for Kindergarten	Wolcott Kindergarten	DVD				
SR 3b: Continue and expand opportunities for families to visit kindergarten schools						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Springtime class visit (children have chance to visit an active K class during June before they start Kindergarten in the fall)	Kindergarten staff		cost of teachers time to coordinate			
summer picnic	Kindergarten principal	cost of popsicles for all incoming kindergarteners				
Kindergarten 'screening' in summer	Kindergarten staff		time of teachers & staff			
'Orientation Day': Before school actually starts, children have a chance to look around and ride a bus	Kindergarten staff		time of teachers & staff			
SR 3c: Establish ongoing process for communication and sharing between kindergartens and elementary school staff						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Kindergarten teachers pass written information about students to 1st grade teachers	Kindergarten staff	Sharing information by passing paper.				
Action step TBD, but support developing for working on this w/ K staff	Kindergarten staff					

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Strategic Area 1: School Success (SS)

SS 1. Increase Family Literacy

SS 1a: Continue & expand reading and writing programs for children and parents

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Summer reading challenge program	Library		staff time			
Vacation week drop-in programs with reading and activity for young children	Library		staff time			
Birthday book program: free book to children on their birthday	Library		staff time			
Drop-in playgroups and story time for children 0-4 at varying times including lunch and before bed	Library		staff time			
Story time visits: reading outreach to daycares and nursery schools	Library		staff time			
Raising Readers program targetted to families of lower socioeconomic status to facilitate pre-reading skill development	WPS - FRC centers		staff time & tree house support			
Born to read (new program under development)	WPS - FRC centers		\$500			
	Library	supply kits from prior program	\$600			
provide booklet to all families in K-3rd grade re: family literacy	Windsor Education Foundation		\$\$ cost of booklets, staff time			
	WPS	distribution by schools				
After-school literacy for children in grades 2-3 (Little Scientists)	WPS & Library		staff time	Title I money (Federal?)		need additional private resources to expanse
consider 'reach out and read' (http://www.reachoutandread.org/) a program where reading is promoted in the pediatric setting						

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

SS 1b: Offer support to parents attending GED and ESL classes						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Provide childcare to parents attending GED, ABE, HSCD, EDP, ESL or citizenship classes	Oliver Ellsworth FRC (7 children receiving 1/2 day childcare 3x a week)	sharing space in L.P. Wilson for the childcare		part of \$9,750 from State Dept of Education		anticipated budget cut for next year.
Provide support for tuition to educational courses	Oliver Ellsworth FRC					
SS 1c: Make personal visits available to all families to guide age appropriate literacy activities						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Parents As Teachers (PAT) visits to Family Readiness families. <i>*also listed under EW&S 1c</i>	FRC staff		what's currently being done? Staff time for this?			
Parents As Teachers (PAT) visits to a handfull of families identified by social worker with high need. <i>*also listed under EW&S 1c</i>	Town Social Services		visits to 6 families			
Parents As Teachers (PAT) personal visits to all families interested and all families identified as high risk	Unknown funding source			Nurturing Families stimulus grants?		\$75,000
Provide group meetings & personal visits (in the PAT model) to parents attending GED, ABE, HSCD, EDP, ESL or citizenship classes	Oliver Ellsworth FRC (for 5 families)			part of \$9,750 from State Dept of Education		
SS 2. Continue to incorporate best educational practices into learning environments						
SS 2a: Promote and share best teaching practices community-wide Pre-K through elementary						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
	Windsor Early Childhood Council	volunteer help in planning and during event			\$4,500	
	CT Parents as Teachers			\$2,000		

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Provide Childhood Convesations Conference. This event is targetted to both providers and parents and covering a range of best practices topics.	CT Parent Information Resource Center			\$2,000		
	CT After School Network	strategic project support. Staff time				
	Children's Trust Fund			\$3,000		
	Alliance for Bloomfield's children		\$4,000			
	1st church Early Learning Center	staff time to process checks and registration info. (estimated at 60 hours)				
	Windsor Social Services	staff support	\$2,500			
	WPS - FRC	staff time and volunteer help planning and during event	\$3,000			
	WPS - H.S. students	volunteer help at event				
School Configuration: consider age based grouping of schools (e.g. preK-1, 2 & 3 ...)						
consider looping children with the same teacher across grades						
Advocate for additional physical time for children who are having behavioral or concentration issues						
SS 2b: Expand full-day Kindergarten opportunities						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Provide Full-day Kindergarten	Trinity Methodist Elementary		tuition based			
	St. Gabriel's Elementary		tuition based parish \$\$			
	Windsor Montessori School		tuition based			
	Windsor Public Schools	Institute a task force to study facility space	projected cost?	state kick-in?		
		Institute a task force to explor magnet school options				
	Board of Education	time of BOE Deputy Mayor who will be Chair of Task force				

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

SS 3. Engage Windsor Community as an active partner in school success						
SS 3a: Expand mentoring programs in kindergarten and elementary schools						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Provide mentors to any student who is interested or who is identified as someone who would benefit from a reliable adult relationship.	WPS	find and train mentors from community business and seniors	\$20,000			
	Local Businesses (ING)	encourage employees to participate				
	community volunteers (Kiwanis)	join the mentoring program				
	Windsor Education Foundation	pays for background checks and special events	cost of background checks and special events.			
Reading Buddies' program that connects Seniors from the Senior Center up with elementary school students.	WPS - FRC	facilitate the program, find mentors and link to students, monitor program				
	Senior Citizens	join the mentoring program				
Provide mentoring to at risk youth. (while the initial design of this program doesn't directly connect to children who are birth to eight, it would have a long term impact on whatever children these youth eventually have. The more emotionally and academically grounded they are in high school will have a positive impact on reducing the risk that their future children might have. Chief Searles also hopes that this program can be connected and/or extended to other mentoring programs which do directly impact younger children and their mothers and fathers and families at risk)	Police Department			applying for state stimulus dollars		
SS 3b: Strengthen school / family / community partnerships						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Expand the schools current School / Family / Community partnership which are based out of the Family Resource Centers to include more of the community	WPS - FRC's					

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Provide free drop-in playgroups in each elementary school at varying times during the day.	WPS - FRC's		staff time	state FRC grant?		
Maintain and improve Windsor's Early Childhood Council website	Windsor ECC volunteers	volunteer time to plan and make updates			\$300/year for cost of hosting site *source Graustein	
Sponsor Parent Leadership Training Institute (PLTI) once a year	Windsor ECC volunteers				\$3,500	\$3,500
	Parent Trust fund			\$18,000		\$18,000
	Community residents	advocacy for state to support ongoing funding				
Sponsor Parents Supporting Educational Excellence (PSEE) once a year	Windsor ECC volunteers				\$6,000	\$6,000
	Parent Trust fund					\$8,400
	Community residents	advocacy for state to support ongoing funding				
Organize volunteer program which matches up needs of teachers, administrators, etc. with volunteers from the community	PLTI students as part of personal project	volunteer time to design and coordinate a pilot program at JFK Elementary				
	community volunteers	volunteer time to design and coordinate a pilot Parent Aide training program at OE Elem. that matches parents to teachers				
Tutoring at Wilson Library	Library	library space				
	community volunteers	time and energy with children				
SS 3c: Develop community sponsorship of early childhood programs						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
K-club	Kiwanis Club	maintain K-club program at Clover Elementary				
		Expand to other schools				

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

4-H club	Local Veterinarian (Dr. Pennington)	Invite 4-H members into animal hospital to observe and participate in caring for animals				
Businesses fueling minds: books to 1st and 2nd grade classes each elementary school	Chamber of Commerce	markets program and recruits donors				
	Local businesses in Windsor		cash donated for books			
Kind-News newspapers to each Kindergarten classroom	Windsor Women's League	time of volunteers	fund-raising			
"Saving Today, For their Future Tomorrow" a program to teach children financial independence through a savings program in the elementary school in partnership with a local bank	Community PLTI student	design and organize program				
	Local bank	collaborate on curriculum and provide some materials	staff time to implement program			

Strategic Area 2: Emotional Wellbeing & Safety (EH&S)

EW&S 1: Promote effective & meaningful relationships between children & adults

EW&S 1a: Expand mentoring / adopt-a-grandparent programs

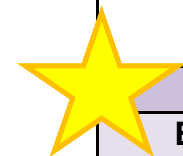

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Provide mentors to any student who is interested or who is identified as someone who would benefit from a reliable adult relationship.	WPS	find more mentors from community business and seniors	.5 staff?			
	ING	encourage employees to participate				
	community volunteers	join the mentoring program				
	Windsor Education Foundation	pays for background checks and special events	cost of background checks and special events.			
Reading Buddies' program that connects Seniors from the Senior Center up with elementary school students.	WPS - FRC	facilitate the program, find mentors and link to students, monitor program				
	Senior Citizens	join the mentoring program				

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

EW&S 1b: Increase after school activities with adult role models						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Explore applicability of Search Institute's Healthy Community - Healthy Youth programming and ideas	Old Saybrook Coordinator Name: Paula Palmieri Email: ppalmieri@town.old-saybrook.ct.us Phone: 860-395-3190	http://www.search-institute.org/				
EW&S 1c: Nurture families through positive skill training and support						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
FRC classes	WPS - Family Resource Centers		??? - non state budget? Check with Kimberly	\$19,500 (portion of state grant from CT Dept of Ed required for parent Ed. minus what goes to PAT directly)		
Offer classes on 'Dealing with Difficult children'						
Parents As Teachers (PAT) visits to Family Readiness families. <i>*also listed under SS 1c</i>	FRC staff		what's currently being done?			
Parents As Teachers (PAT) visits to a handfull of families identified by social worker with high need. <i>*Also listed under SS 1c</i>	Town Social Services		visits to 6 families			
EW&S 2: Strengthen the support system for families with behavioral problems						
EW&S 2a: Increase number of providers available						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

EW&S 2b: Provide community coordination for early intervention						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Connect pediatricians with mental health resources	Community Health Resources (CHR)	??	??			
Create an on-line resource of referral information that could be used and useful for making referrals to agencies and organizations						
Birth to Three	DMR (call Kimberly)					
Preschool Special Ed for Identified children	State Department of Education			??		
	Windsor Public Schools			??		
EW&S 3: Increase family supports						
EW&S 3a: Establish an outreach process that connects families to early childhood resources (through neighborhoods, churches, civic organizations, real estate agents, community policing)						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
"Welcoming Families to Windsor" Real estate agents are equipped with a packet of information about early childhood resources to give to families looking for homes in Windsor	Read Estate Agents	- distribution of information				
	Community PLTI student	- idea and collaboration				
	Windsor Early Childhood Council	- volunteers to create packets - volunteers to provide agents with information				\$ for materials and copies
Neighborhood 'walk-about': (an idea for establishing a regularly scheduled community walking program where volunteers (likely from ECC) would walk around the various neighborhoods in Windsor distributing info (& being available) door to door. Neighborhoods would rotate until all covered.	volunteers	volunteer time to walk neighborhoods and distribute information				
Welcome Wagon update						

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

"Clothing Little Miracle" Provide clothing to children in the community, especially those who are new to the community (e.g. from the West Indies and have no winter clothes).	PLTI student as part of personal project Design and organize the program.					
	elementary school FRC staff collaborate to identify families and children in need	staff time at elementary school				
	Sage Park staff collaborate to identify families and children in need	staff time at Sage Park				
	Dept of Social Services collaborate to identify families and children in need	Staff time at Social services				
Refer families who may need scholarship for summer camp to Northwest Park	Northwest Park Town of Windsor		\$2,000			
EW&S 3b: Increase family and community events that reflect Windsor's cultural diversity						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Provide fun summertime carnival in area of town where higher density of lower socioeconomic families reside	Town		Wilson Carnival (\$\$)			
Muslim Women's Association of Greater Hartford. Using Windsor as a base, create an organization that meets the needs of Muslim women (e.g. driving lessons, English lessons) while providing playgroups, picnic, etc. for their children.	PLTI student as part of personal project design and organize this association					
Concert Series on the Green	Businesses		ask Jane Garibay			
EH&S 3c: Develop information centers/hubs						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Work with Rec Department to explore options at 330 Windsor Ave.	Windsor's Early Childhood Council					
EW&S 3d: Implement stress reduction program						

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

Strategic Area 3: Physical Health (PH)

PH 1: Increase health services available to Windsor families

PH 1a: Improve access to health services (screening, dental checks, etc.)

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Recruit dentists/orthodontists to visit each school to meet children and encourage good dental hygiene (ideas from Leigh Ann: contact Dr. Leonard Hellerman, retired, Dr. Mark Cramer, retired, Dr. Roberta Garceau, Dr. Steven Farley, Dr. seteven Lippman)	dentists	volunteer time				
	Peggy Sayers	volunteer time				
Kindergarten vision and hearing screening of all entering Kindergarten students	WPS		staff time			
Vision screenings in preschools of all 4 year olds	Windsor Junior Women's league	volunteer time to carry out screenings				
	Prevent Blindness CT					

PH 1b: Provide family visitation services to identify needs & link families to services

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
duplicate a handfull of PAT visits occurring now that could be expanded to include a health component.						

PH 1c: Facilitate timely access to early screening for developmental needs

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Identify costs of Ages & stages evaluation and work with preschools so that everyone is using the same standardized developmental assessment.	Windsor's Early Childhood Council.					
Provide screening for 3 & 4 year olds conducted by Kindergarten	Windsor Kindergarten staff	- clarify explanation of this program so that community understands its for more than children with special needs - market this event through more avenues				
Screen children upon request or referral	Birth to Three			\$\$ in town?		
Free assessments mailed to your home for parents to evaluate a child's development from birth through 3 years of age	Ages and Stages Children's Trust Fund - www.ct.gov/ctf - 800.505.7000			\$\$ their program		
	Windsor ECC	provide ages and stages sign up forms to families with young children and help families complete them and mail them in.				
	Windsor FRC					
PH 2: Improve family health & wellness						
PH 2a: Connect families with health information in new ways (e.g. town health help line)						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Create town health help line	Windsor town health department		staff time			
Create link to health resources on-line	Windsor town health department	gather resources create web link/interface	staff time			
	Windsor's Early Childhood Council	create link on ECC site to whatever the town develops & or to other valuable resources such as American Academy of Pediatrics www.aap.org	volunteer time			
Expand on-line tools such as Facebook to launch support groups and provide information.	Jan	Start with FaceBook site that's already in place for TC2.				
Connect health dept with school nurses and/or PE Health Department	Windsor town health department	- staff time - development of data tracking system				

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

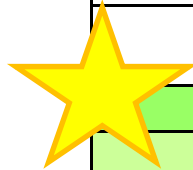

to collect BMI info on all kids	WPS	nurse staff time				
		PE staff time				
"Heathy Foods, Health Bodies"	PLTI student as part of personal project	pilot a health education curriculum for pre-schoolers focused on nutrition				
Create an information Kiosk at NWP?						
PH 2b: Connect pediatricians to local fitness, recreation and nutritional resources for young children						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Recruit retired pediatricians to visit/lecture @parent programs/sessions		volunteer basis				
Recruit, local health clubs, gyms, women's fitness to visit/lecture @ parent programs/sessions		volunteer basis				
PH 2c: Implement an incentive program for families who are working to make healthy lifestyle changes						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Explore the rebate program	Town Council					
Explore goods & services give aways	Chamber of Commerce / Economic Development					
PH 3: Improve town infrastructure to promote health and fitness						
PH 3a: Increase safe routes to school and sidewalks in town						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

research Safe Routes to School Program http://www.saferoutesinfo.org/						
what are they doing now? - check with Lauren	Town planning department					
PH 3b: Create bike paths						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Plan safe bike routes (ask Ceila if something is happening now ...)	Board of Ed	Planning assistance with BOE				
	Public Works, engineering	Zoning assistance				
PH 3c: Enhance safe recreational areas						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Add signs to identify local parks: Stroh, Washington and Welch parks (all 3 parks border a state road in town which is why the city hasn't been able to put up signs. Important: once recently a girl broke her ankle at a sports game and it took ambulances 30 minutes to reach her because they couldn't find the park)	State of CT			cost of signs cost of labor		
	Town Dept of Planning	time of staff to: - collaborate to determine where the best location would be - wording for sign				
	Windsor Residents	advocate with state representatives for signs				
Replace Clover Elementary School Playground with equipment that is usable throughout the year and accessible to children of all abilities. (Marty Maynard, Risk Manager 285-1851 contact)	Clover Street PTA	coordinating fundraising effort				
	Traveler's Insurance	allowed use of fund raising challenge			unknown	
	Bill Selig Jewelers	sponsored a fund raising event			unknown	

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

Create new areas for nature exploration that are accessible to everyone especially including very young, physically challenged and visually challenged children and adults.	Northwest Park Town of Windsor		check with Ford on \$\$ amounts			
Maintain 12 miles of nature trails in Northwest Park for easy accessibility.	Northwest Park Town of Windsor		\$10,000 (includes staff time and materials); cost of the carts?			

PH 4: Provide early care and intervention for expectant mothers and parents of newborns

PH 4a: Provide education on healthy pregnancy and healthy infants through personal visits

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Approach TBD	WIC					
	Easter Seals?					
	March of Dimes?					
	OB-GYNs					
	CRT - Hartford					
	DSS					
	HUSKY					
	OB-GYN's					
	churches / places of worship		provide info on pre-natal care			
	nail salons		provide info on pre-natal care			
Attach info to packages of diapers	Windsor Diaper Closet					

PH 4b: Conduct focus group (w/physicians and/or new moms) to better understand needs in Windsor

Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
--------	----------	--------------------------	-------------	-------------	---------------	------------------

Thriving Children - Thriving Community Strategy - Partner - Funding Matrix

PH 4c: Develop public service announcements and provide education around risky behaviors affecting pregnancy outcomes.						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
Develop public service announcements for - risk of smoking while pregnant - risk of drinking while pregnant - important of early and regular pre-natal care	Town Health Department	create the messages				
	Windsor Early Childhood Council	recruit volunteers tape messages for airing				
	WIN-TV	use of facilities				
	WPS - H.S.	WHS 'announcements' connect with Debbie Truss who teaches 5 classes of child developmen at H.S.				
		Announcements through 'Reminder' newspaper				
	Public Library	Signs? Specific books hilighted periodically? Space for meeting				
	Volunteers from town	volunteer to be in the public service message				
	Restaurants (McD's, Subway)	info on placemats or info on coupon books				
examine H.S. curriculum for messages and consider what might need to be added	WPS					
	Town health Dept.					
OPEN OFFER						
Action	Partners	No-cost/low-cost Actions	Local Funds	State Funds	Private Funds	Resources Needed
	Northwest park	share space at no cost for events that support the the Town of Windsor				
Data from Dept of Social Services ?? 2005-2006 cash for 99 infants/toddlers = \$295,691 2005-2006 cash for 122 preschool = \$319,029 (total = \$614,720)	Care-4-Kids			\$614,720
