Thriving Children - Thriving Community

Windsor's Collaborative Community Planning Initiative

TC2

TC2's goal is to create and implement a plan based on results based accountability so that:
All Windsor's Children, 0-8, will come to school ready, willing and able to succeed
as caring, capable and confident learners.

The TC2 project is primarily supported by parent volunteers. Currently, TC2 has approximately 50 active members and has connections to over 200 additional families in Windsor.
